RE: Sworn complaint regarding robocalls possibly by Committee Against Measure A in Alameda

The complainant enclosed a CD with two apparent robo-calls. He believes they are made by Committee Against Measure A in Alameda. If the calls were paid for by a committee, they should have the name of the organization that paid for the call, which these do not. (GC § 84310.) However, the complainant believes he recognizes the voice on the calls as a spokesperson for the Committee Against Measure A; GC § 84310 does not apply to calls made by volunteers for the committee.

I recommend opening this as a case to see if the calls were paid for by the committee and proceed from there.
